

Om Sri Sairam

Position: Principal
Sri Sathya Sai School Cuttack
(CBSE – English medium)

Location: Cuttack, Odisha

“Present day education develops the intellect and the skills, but it does little to develop good qualities. Of what avail is all the knowledge in the world, if one has not got good character? It is like water going down in drain. There is no use of knowledge growing while desires multiply. It makes one a hero in words and zero in action.” -- Bhagawan Sri Sathya Sai Baba

All the Sri Sathya Sai Schools functioning in Odisha should aspire to become such an institution of excellence inculcating human values. The aim and objective of Sri Sathya Sai Schools revolves around the all-round development of a child. Nourishing the five aspects of development; physical, mental, intellectual, emotional and spiritual and in turn shaping the child’s future are the primary focus.

Sri Sathya Sai School, Cuttack is looking for an experience dynamic Principal.

Academic Qualification: Graduation with B.Ed.

Experience: 5 years of teaching and 10 years of school administration
